No. 1

Presidents Letter

The 2015 camping season will soon be upon us.

Thank you all for filling in the Wagon master list for 2015. We all look forward to a wonderful camping season and time of fellowship each month.

I encourage members to make it a four day weekend so we get a better rate for camping.

The campgrounds like to have reservations four weeks in advance so make them early.

If you no longer have a camper, do as some members are doing, stay in a motel and join us for activities and fellowship.

We encourage you to invite potential new campers to join us. Pray for safe travels and great weekend camping.

We look forward to hosting the fall banquet at our home church, Apple River Community Church in Amery, Wisconsin next October.

Camper of the Month

Pictured below is Dick and Barbara Volkmers motorhome. It is a 1999 Dolphin made by National RV which they purchased in 2008 from Noble RV. It came from California and is in excellent shape inside and out. The motorhome is 35' long, has one slide and a Ford chassis with a V-10 motor.

They spend their winters at Bibleville in Texas. One of their fun activities is working with Servants on Wheels Eveready Sowers who work on construction projects as they travel in their RV.
